

## MINUTES FOR 7<sup>th</sup> TEAM MEETING [7/2022]

### 1. MEETING DETAILS

Chairperson: Ratthapark Arnantayakan  
Secretary: Junlin Wang

Date: 24 March 2022  
Time: 5:00 – 7:00 PM  
Location: via Zoom

### 2. ATTENDEES

Ratthapark Arnantayakan	(Gavin)	a1829241
Lei Huang	(Mario)	a1820323
Tamarakuro Joseph Aduwari	(Joseph)	a1814359
Junlin Wang	(Grayson)	a1761503

### 3. ABSENCES.

-None-

### 4. SUMMARY OF PREVIOUS MEETING

As a team, we discussed each part of the presentation and adjusted it to ensure the proper flow of content. In addition, we adjusted the layout key words on each page to allow the audience to understand the intended message. Team also discussed on presentation submission and practices before recording.

### 5. GROUP MILESTONE

#### 5.1 Overview

After consulting with advisor, team summarised feedbacks on each part of the presentation and allocated adjustment tasks to each member. Two major adjustments were to add one table of content and introduction of stock screener at the beginning of the presentation in order to give some context of the project to the audience. Team also agreed to practice presentation twice via Zoom before recording.

#### 5.2 Presentation

Latest version of draft presentation was present in the meeting

### 6. INDIVIDUAL MILESTONE

*Ratthapark Arnantayakan (Gavin) a1829241*

Reflected feedbacks by shorten texts on the solution part and also changed the layout to make it easy to see and understand the comparison between existing stock screeners and Super Stock Screener.

*Lei Huang (Mario) a1820323*

Made changes according to feedbacks in the problem page by shorten texts and adjusted the layout slightly.

*Tamarakuro Joseph Aduwari (Joseph) a1814359*

Offered to make a table of content page and introduction page. Apart from that, highlighted the technology criteria in the design of user interface in order to point out the unique feature provided in Super Stock Screener

*Junlin Wang (Grayson) a1761503*

Rephased words in milestones in the project timeline part to make them more meaningful and fit with the expected development of the project

## **7. PROJECT MANAGEMENT**

- Schedule to the first presentation practice via Zoom at 2pm Friday 25 March 2022 and second practice at 3pm on Sunday 27 March 2022
- Planed on submitting presentation at 5pm on Friday 25 March 2022

## **8. REQUIREMENTS ELICITATION**

### *8.1 Database structure*

Details on project requirements have been sent by client and will be used to adjust the current database structure.

### *8.2 Backend Application*

Team continued learning API with Python especially for financial data

### *8.3 Screening functions*

A number of indicators from technical and fundamental criteria have been required to be used by the client which will be further developed in screening criteria.

### *8.5 User Interface*

Example of data set to be displayed in excel has been sent by client.

## **9. ADJOURNMENT**

- The meeting ended at 7:00pm.
- The next meeting is a team meeting via Zoom at 3:00pm on Wednesday 30 March 2022.
