

MCI Project Weekly Time Sheet

Team 17 Student ID a1820323

Week starting:

4/4/2022

Day	Date	Time In	Time Out	Total hours	Task	How does it fit into project plan?	Outcome/Next action
Monday	4/4/2022	4:00 PM	7:00 PM	3	Revised the draft of business case and draft plan	All team members reviewed all part of this project and gave some feedbacks of each other. It helps team members to understand more about this project.	We have some improvements based on the team members feedback.
Tuesday	5/4/2022	12:00 PM	4:00 PM	4	Finished the business draft plan and set the database pipeline to store stock index and stock info.	Submitted the business draft and draft plan, check the project progress for the next client meeting.	Business case and draft plan were finished. Some indexes were stored in the database.
Wednesday	6/4/2022	3:00 PM	6:00 PM	3	Weekly meeting[10th/2022]	Check the team member's progress, and we set weekly goals of each college we expected to be completed. Help each other if anyone needs help.	We reviewed code together and explained the functions, we also did some research about the stock API. And each member understood that: stock index and information are the priority from the client at this stage.
Thursday	7/4/2022	1:00 PM	4:00 PM	3	Fixed some errors and technical issues [different computer version and tools]	Make sure all the progress are the same and all team members can run the code on their own computer.	Stock info data are successfully collected from most popular indexes and were added to the database.
Friday	8/4/2022	4:00 PM	6:00 PM	2	Test before populating data to remote database	Completed part of client's requirements.	Some stock info were populated to the remote database.
Saturday	9/4/2022	1:00 PM	4:00 PM	3	Import some data and volume then populate in the database	Having some data and volume in the database for team members to move forward to meet clients' requirements.	Fixed some technical errors from imported data.
Sunday	10/4/2022	12:00 PM	2:00 PM	2	Weekly meeting[11th/2022]	Check the team member's progress, and we set weekly goals of each college we expected to be completed. Check if anyone needs assistance.	Every team member has their own contribution and understanding of this project.
